State Parks & Public Beaches

HA HA TONKA STATE PARK contains over 3,600 acres on the Niangua Arm of Lake of the Ozarks. It's five miles southwest of Camdenton on State Road D. The private castle was completed in 1922 and gutted by fire in 1942.

There are 12 hiking trails (16 miles total) of various length which take you to such places as Devil's Kitchen, Turkey Pen Hollow and 8 caves. The park has numerous picnic areas, two are shelters that can be rented for events and a playground. A Trail and Natural Area Guide is available at the visitor's center at the park entrance, along with outside exhibits. Visitors for the

day can easily arrive by boat or car. (No overnight camping). Geologically, the area is an example of "karst" topography, characterized by sinks, caves, underground streams and natural bridges. Huge caves have collapsed and created a large theater-like pit known as the coliseum. Legend has it the coliseum was used for Native American tribal meetings. One of Missouri's largest springs is located in the park and feeds an average of 48 million gallons of water a day into the Niangua Arm of the Lake.

For those who have not yet seen the spring, castle and park, words fail to do it justice. Discovering it is something each visitor considers a memorable experience. No entry fee. Office 573-346-2966

LAKE OF THE OZARKS STATE PARK is a 7,441 acre playground south of Osage Beach. Lake of the Ozarks State Park is Missouri's largest. It has 85 miles of shoreline and two public beaches, plus boat launching areas. Lee C. Fine Memorial Airport has a 6,500 by 100-ft. runway, plus terminal building, parallel taxiway, fuel and tie down service. Hiking trails, horseback riding stable and four organized youth camps are offered.

Bring a picnic dinner to enjoy after swimming at the free sand beaches found in both areas. For large groups, reserve a picnic shelter or take your chances and use it on a first-come, first-serve basis. Launch your own boat at the available ramps. Rent a boat at PB#1 and Grand Glaize Beach. Fish free from a dock with crappie beds,

as long as you have the appropriate Fishing license!

Discover unusual natural features along the park's lake shore on Lake of the Ozarks Aquatic Trail. This unique "trail" designed for boaters has stops marked by buoys. A free booklet, at the park office, is keyed to these buoys and explains the significance of each of the 14 marked shoreline highlights.
